

Delivery instructions:

Please deliver my shipment to:

---

---

My best contact phone numbers are:

---

My access to my home is good / bad

Please advise any issues you foresee?

Busy road for parking?

Sloping/Steep driveway?

Down a long driveway?

Behind another property?

Overhanging trees/powerlines below 3meters?

Can a container be placed on the road outside your home?

What is the approximate distance from the road to your front door?

Comments:-----

---

I will require storage Yes/No

Please note that as we were not responsible for the packing and transportation of your effects and cannot be aware of any damage that may have occurred during packing and transit, we will only carry and store your goods at owners risk. We recommend that you ensure your goods are fully insured door to door and that you extend your policy to cover storage insurance if required.
